Luz Direta

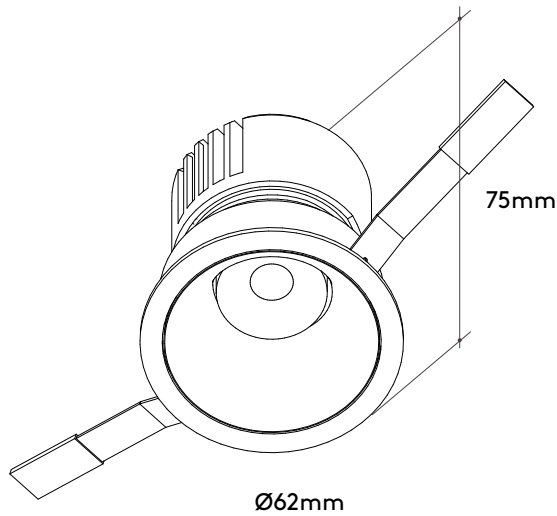

Ecoglow

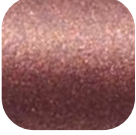

Luminária com tecnologia LED Healthy Carelight. A fonte luminosa controla o pico de emissão na faixa do azul, comum em LEDs convencionais, mas ausente na luz natural. Essa característica favorece a preservação do ciclo circadiano — ritmo biológico responsável por regular sono, disposição e funções metabólicas. A luz apresenta fidelidade de cor elevada (CRI 97), com excelente capacidade de reprodução das cores no ambiente.

Light fixture with Healthy LED Carelight technology. The light source controls the blue peak emission found in conventional LEDs — a spike not present in natural light. This feature supports the preservation of the circadian rhythm, the biological cycle responsible for regulating sleep, alertness, and metabolic functions. The light delivers high color fidelity (CRI 97) with excellent color rendering performance in the environment.

Especificações Specifications	Embutido de teto/Recessed
	LED COB 8W
	127-220V
	2700K 3000K
	Fluxo real: 530 Lm
	CRI 97 UGR < 10
	SDCM < 2
	15° 36° 55°
	Driver remoto/Remote driver
	On/Off TRIAC

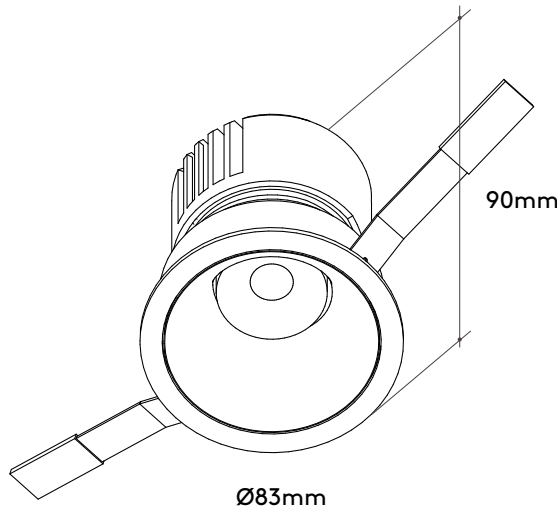

Materials	Alumínio injetado/Aluminum die casting
-----------	--

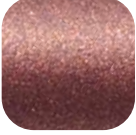

Acabamentos Finishings	 Branco/White	 Preto/Black	 Corten
	 Areia	 Fendi	 Titanium
	 Cinza/Grey	 Fortuna	 Aura
	 Royale
